*Let Me Help*  
DESIGN A UNIQUE AND  
MEMORABLE EVENT

I am so excited to share my eclectic rental collection with you. I have always held a strong passion for interior design and décor and I love that I get to share it with my clients and couples. I would have to say that the design portion of this business is my most favorite. Whether these pieces are new or vintage, they all hold a special place in my heart - some are even family heirlooms! All of these rental elements are hand-picked through various sources and inventory is always expanding. I hope these pieces bring you as much joy as they do for me. Now, let's create some magic!

*xo Nichole*

We used Nichole's rentals for our backyard wedding reception, Nichole did an amazing job providing pieces that fit our theme and budget. She did an amazing job setting up and removing pieces without us having to worry about any of it. Nichole made the entire process easy and seamless, we thoroughly enjoyed working with her and her team. We will definitely be using her in the future for any other events we may have.

*- Zenobia & Ricky Sinconis*

We hired Nichole as our wedding planner, not only did she go above and beyond our expectations. She also supplied all the rentals for our wedding as well. We just let her do her creative thing! Every detail of that day was perfect right down to the table settings! Thank you so so much Nichole! You are the BEST!!

*- Mr. & Mrs. Williams*

Lounge spaces have been considered a trend, but they definitely aren't going anywhere. There is something about creating an intimate setting for guests to interact and converse that sets the soul on fire. Whether you decide on an indoor or an outdoor lounge space, it will provide a comfortable and inviting setting for your guests to sit down and take a break from the action. This atmosphere also encourages your guests to hang out longer at your reception or party. Who wouldn't want to take a moment to sit back and relax while enjoying a cocktail and conversation? Count us in!
